

# ZIPS SUPER COWBOY

By Sally Scholle with Carla DuRand

A lifelong love of horses, classical dressage training and successfully guiding an unusually marked Paint horse to a championship halter title laid the groundwork for a quality, registered Paint and Quarter horse establishment. Carla DuRand made her dream come true in 1997 with the purchase of a 36 acre farm in historic Gettysburg, Pennsylvania.

Carla had been successfully breeding APHA halter and performance horses using stallions that improved the traits of her mares. She and her mother, Linda Palmer, wanted to find a quality stallion for breeding their own mares as well as outside mares, but Carla's strict qualifications for a stallion meant that the search might be a long one. She would settle for nothing less than a World Champion Palomino, standing at least 16hh, with a quality sire and outstanding dam. In addition, any stallion considered for purchase must be good-tempered and easy to manage, since she would handle the stallion herself.

Enter Zips Super Cowboy. This stallion meets Carla's rigid requirements and then some. 'Cowboy' is a triple-registered, 16.1hh golden palomino. He is a PHBA World Champion and Reserve Champion, and an AQHA Superior Halter Horse.

This World Champion sire has produced AQHA, PHBA and IBHA halter point earners and numerous futurity winners, and was the 2004 OPEA Go For The Gold Futurities High Point Sire of Weanling Colts. Cowboy's sire, Beyond Reality, is an AQHA World Champion and an AQHA Superior Halter Horse. Cowboy's dam, Zips Paloma, is a 4-time PHBA World Champion, AQHA Superior Halter Mare and AQHYA Reserve World Champion.

Cowboy's get have already made their mark in prominent breed competitions. Gold Credentials, a 2004 Palomino gelding, has over 200 AQHA and PHBA halter points. He has AQHA ROMs in Open and Amateur Halter, and has been awarded with PHBA Amateur Superior Halter and PHBA ROM in Open Halter. Gold Credentials has 18 Grand Championships & 15 Reserve Championships, and was 2004 NJPEA Yearling Futurity Champion. Beyond A Reality, a 2000 palomino gelding, has earned 265 PHBA Halter Points.

Zips Fancy Fanny, 2002 buckskin filly, is a 3-time IBHA World Champion, 2-time IBHA Reserve World Champion and 2-time IBHA Congress Grand Champion. She has earned 131.5 AQHA and IBHA halter points. Morrison, a 2004 Palomino colt, was the 4-time Go For The Gold Futurity Champion at OPEA. Goldie Zips Bye, a 2001 palomino overo mare, has APHA points in Halter, Showmanship, Amateur Western Pleasure and Horsemanship.

Carla is a graduate of Penn State University with a B.S. in Animal Science and a lifetime of experience with horses. She manages the daily operations on the farm while her mother Linda handles the books and accounting for the business. The two are grateful to Buddy and Carol Brown for the opportunity to own a stallion of this quality.
